

A warm welcome in upper Bavaria

Terrace camping at Richterbichl ****

Your relaxing holiday location in Rottenbuch/upper Bavaria

Our 4 star camping ground is located on the “romantic road” in the middle of the wonderful “Pfaffenwinkel”, one of the most beautiful country sides in upper Bavaria.

The mountains of the lower alps are very close and are situated between Lech and Ammer. The natural beauty and day trip attractions in the area have always been of great benefit. The monks and nuns - the “Pfaffen”, gave this gorgeous place its name, they settled here a long time ago. 159 churches and cloisters are a real culture highlight in this area.

The kings castle from Ludwig II. Of Bavaria is also close by. Our family run camping ground offers many free time and sport activities, a perfect relaxing paradise for summer and winter camping.

We look forward to welcoming you at Richterbichl
